**Key Features**

**With Business and Stylish Appearance**

Yealink BH76 Bluetooth Wireless Headset series is equipped with Yealink’s uniquely designed retractable hidden microphone arm with a magnetic slide. You can easily pull out the microphone boom arm to obtain professional audio quality and hide the microphone boom arm to obtain a stylish appearance. It allows users to enjoy music more simply and easily adapt to various outdoor activities.

**Multiple Microphones Acoustic Shield Technology**

With Yealink Acoustic Shield Technology, the two Microphones built into the BH76 block the background noise automatically but ensure the participant's voice is heard clearly, greatly boosting communication efficiency.

**Unparalleled Music and Calling Experience**

Designed for music and calls, BH76 supports a dynamic EQ that can automatically switch between call mode and music mode. BH76 can bring users a CD-level lossless audio quality experience. The BH76 supports 3 levels of active noise cancellation (ANC) that can enhance users' noise reduction in any noise environment. The passive noise

reduction performance brought by the new beveled ear cushion design and oval memory foam of the BH76 can provide a great listening experience for users.

### Multi-functional Wireless Charging

Its long battery life offers up to 40 hours, saving users from searching for a charger. The BH76 supports USB and wireless charging. The optional Qi charging stand for the BH76 provides easy charging while keeping the device on the desk. This charger works for any mobile that supports Qi and personal devices such as TWS.

### Visible Busylight for Ultra-wide Angle

When users make a call or attend a meeting, the visibility indicators on both sides of the BH76 automatically glow red to reduce external interference and allow users to focus on the conversation.
